Uniform and Grooming

We thank all parents for continuing to fully support the college's uniform policy. Non-uniform tops will not be allowed anytime during the school day next year and we ask parent to consider purchasing the school jumper from local stockists. School shoes must be worn, and letters of exemption will not be accepted unless from a podiatrist or chiropodist with an end date included. Current exemptions will not apply in September. Parents are reminded that students should not present to school in September with extreme hair styles or facial piercings.
