1 February 2021

Kevlin Road,
Omagh,
Co Tyrone
BT78 1LG

Dear Parent/Carer,

We hope that you and your family continue to keep safe and well.

You will be aware that it has been announced that schools will not be returning to face to face teaching before March 8th 2021.

Our pupils, teachers and parents who are supporting their children must be commended for the great work they are doing remotely engaging in lessons and school work.

As a reward for those pupils who have been engaging conscientiously we will pause on line learning on Friday February 5th. This will give pupils who have fallen behind with their work the opportunity to catch up.

This week is Children's Mental Health Week and the theme is 'Express Yourself'. We would like pupils to engage in activities that are positive for mental health i.e. help to make them feel happy. Ms Rush who is the schools Positive Learning and Wellbeing co-ordinator will post activities through Form Class TEAMS each day for KS3 pupils to complete in their afternoon sessions. This will also be promoted on the Sacred Heart College Facebook page and on our school website. We encourage pupils to read the messages and watch the content. They can submit pictures of their activities at the end of the week to enter our 'Express Yourself' competition. The winning submissions in each Year group will receive a prize voucher. Good luck and have fun.

Pupils who are attending school for their learning should still come to school and we will have a range of activities for them to engage in throughout the day.

Just a reminder that Mid-Term break is from Monday February 15th – Friday February 19th inclusive. There will be no remote learning during this week.

Thank you for your continued support.

Yours Faithfully

Mrs C. McGinn
Acting Principal
