SUMMER
Scheme
X-TREME
2021

3rd June 2021

Dear Parent/Guardian,

Summer Scheme X-Treme 2021

I am delighted to inform you that Sacred Heart College will be running a summer scheme for pupils in years 8 - 10.

These past two academic years have been extremely disruptive and whilst the pupils have displayed admirable resilience and flexibility, we cannot argue that they need a bit of fun and adventure. The summer scheme is being built around outdoor adventure and activities that we would not normally be in a position to offer.

This summer scheme is being funded by the Department of Education for Northern Ireland and the aim will be to allow our pupils to interact with their peers, have some fun, learn new skills and to have a little bit of adventure during the holiday period.

It will be free of charge to all participants.

The summer scheme will be delivered over three weeks this summer and each child will have the opportunity to apply for a place for one week. Places are limited to 60 participants per week and we encourage you to make an application on behalf of your child. Allocation of places will be on a first come first served basis.

No doubt you would like to find out a little more information about the programme so I am inviting you to join us at a zoom meeting on Monday 7th June at 7:30pm where we can give you full details of what we will be offering and how the summer scheme will be run. Click the link below to register for this zoom.
