Dear Parent(s)/Carer(s)

Year 10 pupils will complete a series of **standardised tests** beginning **Monday 10th May**. The schedule for these tests is attached below. Please ensure your child brings a set of headphones, as all assessments are completed using a computer.

In addition, pupils in KS3 will also complete a set of subject trackers which will be completed before Friday 8th June. The trackers will only assess subject content taught in term three.

Please take time to discuss this with your child and help them plan and complete the necessary revision for every subject.

If you have any concerns regarding the exam process, please contact the college.

Yours sincerely

K O'Doherty
(Head of Key Stage 3)
