Dear parents and guardians, we hope you have had an opportunity to enjoy reading the first edition, published in December 2023, of 'The Creative Compass' magazine produced by Sacred Heart College's Creative Writing Society. The magazine can be found online on the main school website's 'Creative Writing Society' tab. We would also like to give each family the opportunity to order colour copies of the second Spring edition of 'The Creative Compass'

If you would like to order a copy or more than one copy of the Spring edition, please complete the relevant form below indicating your child's name, their form class, your name, and the number of copies you would like to order. Please give the completed forms and the enclosed payment in an envelope **to the school office** by **Friday 31<sup>st</sup> May**.

Each copy of the magazine will cost £2.00, and any surplus amount after printing copies, will go towards a reward for members of The Creative Writing Society who have contributed towards making the magazine.

Yours Sincerely,

Mr Maguire.
